TAKE BACK YOUR TIME FOR TEACHING

It’s not just the sheer quantity of work that makes teachers quit, but the “box-ticking” work which deprives teachers of the creativity and variety for which they joined the profession.

Researchers from UCL’s Institute of Education

LET’S CHANGE THINGS

1. Meet with your colleagues and discuss workload.
2. Identify the causes of excessive workload using guidance at neu.org.uk/workload to help you.
3. Discuss with your head teacher ways to reduce workload.
