Teachers, Support Staff, Parents and Politicians agree: There's too much testing in our Schools and it's having a negative impact on children.

The NEU has a vision of how to put this right: We want members to help shape the alternative.

Led by experts, this event will explore what's wrong with the present system, discuss what could be different and how we can work together to change it.

Refreshments will be available from 10:00 am ready to start at 10:30 am. The day is expected to finish at 1:30 pm.

To attend this **FREE** Event please complete this [booking form](#). Lunch will be provided so please advise us of any Dietary Requirements you may have as well as any Access Needs.

If you would like any further information then please do not hesitate to contact Laura Marsh at yorkshire&humberorganising@neu.org.uk

We look forward to seeing you there!
