# TEACHING AND SUPPORTING REMOTE LEARNERS ONLINE

A FREE CPD COURSE FROM  
STRANMILLIS UNIVERSITY COLLEGE  
FOR EDUCATIONAL PROFESSIONALS.

## 4-WEEK COURSE

DELIVERED ONLINE  
SUITABLE FOR HOME STUDY

# TEACHING AND SUPPORTING REMOTE LEARNERS ONLINE

## COURSE INFORMATION

This 4-week Professional Learning course has been designed by the College at this time to support educational professionals working from home during the suspension of teaching in NI schools and colleges. The focus of the course is on the promotion of 'teacher presence' for all children, using simple technology skills such as webinar and video lessons. This is a supportive course for teachers to enhance the wellbeing of children and young people while working from home.

## LEARNING OUTCOMES

At the end of the course, teachers will be able to:

- design a lesson for online learners (including mobile access) in support of key curriculum targets
- develop an engaging environment for remote learning using synchronous and asynchronous communication tools to support online remote learning
- stimulate learners across appropriate key stages (from key stage 2 to key stage 5) by developing interactive lessons and communication
- create remote lesson exemplars of good practice for future online and blended learning across key stage 2, 3, 4 and 5
- assess for learning using a range of interactive support tools accessible to pupils with internet access, including mobile learner access.

**COURSE TUTOR: Celia O'Hagan (email: [c.ohagan@stran.ac.uk](mailto:c.ohagan@stran.ac.uk))**

**COURSE COST: Free of charge**

## COURSE COMMENCEMENT

A number of courses will be offered simultaneously in support of schools between April and June. The first cohort intake will be after Easter school holidays.

To register your interest in a place on this course, please complete the form at the link below. We will do our best to accommodate all interested parties but will be working on a first-come, first-served basis at this time.
